

Your Business, Your Employees: Classifying your workforce and workforce benefits

Please join **Small Business Majority** and **Start Small Think Big!** and a legal representative from **Donahue Fitzgerald LLP** for an interactive webinar that covers the differences between independent contractors and employees and why employers should know them. We will also cover the new CalSavers Retirement Savings Program, a portable workplace retirement savings account for private sector workers whose employers are unable to offer a retirement plan in CA.

This workshop will cover:

- Topics Include:
- How your employees are classified and what it means for your business
- Employer and employee eligibility for CalSavers
- How CalSavers will work and employer responsibilities
